

CERTIFICATE

The Food Safety Management System of
GC RIEBER COMPACT AS

Søfteland, Norway

has been assessed and complies with the requirements of

NS-EN FSSC 22000:2011

Category E

Certification scheme for food safety systems including
ISO 22000:2005, ISO/TS 22002-1:2009

This certificate is applicable for:

Product development, production, sales and distribution of
emergency ration and drinking water, and supplementary and
therapeutic food products

This certificate is provided on the base of the FSSC 22000 certification scheme.
The certification system consists of an annual audit of the
food safety management systems and an annual verification of the PRP elements and
additional requirements as included in the scheme and the applicable technical
specification for sector PRPs.
